

HOW TO DRAW AN EASY CUTE FACE

Step 1

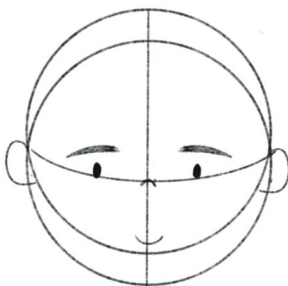

Draw two overlapping circles to create the basic head shape

Step 2

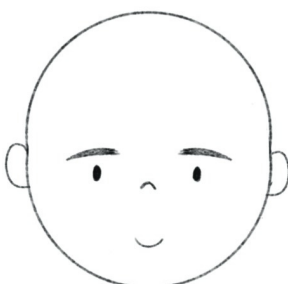

Add a vertical center line and a curved horizontal guideline for the eyes.

Step 3

Draw the eyebrows, eyes, tiny nose, smiling mouth, and ears along the guidelines.

Step 4

Erase the guidelines and outline the final head shape.

Step 5

Sketch the basic hairstyle, starting with the bangs and the overall hair shape.

Step 6

Add texture by drawing soft hair strands and a few natural details.

Step 7

Refine the hairstyle, clean up the outline, and add the neck.

Step 8

Color the hair and skin, add rosy cheeks, and finish your cute illustration.
